

We Welcome Children!

Our names are Stacy, Brittney, Tami, Katie & Sara. We are helpers at Dr. Fawcett's dental office where you are coming to visit soon.

You will get to ride up and down in our "magic" chair. We will count all of your teeth and see how many you have. We might even take tooth pictures! And, we will show you how to take good care of your teeth. When you are done you can pick a prize from our prize basket.

We can hardly wait to meet you! Check out our website photo of us in our bright toothbrush sweatshirts so you know what we look like. See you soon!!

Your new dental friends,
Stacy, Brittney, Tami, Katie, & Sara
